OWOSSO, FRIDAY SEPT. 23, 1881.

## LOCAL NEWS

Miss Anna Gould is better this morning. Col. John L. Burleigh, the new star, as Othello, at Opera Hall, Oct. 4 1881.

Will Gould has been at Bay City this week attending the Sunday School Institute.

Mr. Samuel Sharpe, of Ionia, was in town yesterday shaking hands with old friends.

Mrs. Broad has engaged a first class dress maker. Cutting and perfect fitting done by S. T. Taylor's system.

Burleigh the tragedian as Othello Tickets for sale at the postoffice by F. E. Wicking.

Mr. W. A. Woodward, of Woodward Bros. and Mr. Charles Ripley, of the Estate Manufacturing Co., have gone to Chicago on business.

The Rev. Mr. Farnum will occupy his pulpit on Sunday, Oct. 9th. Next Sunday Rev. Mr. Morley will preach both morning and evening.

NOTICE.—New fall and winter millinery goods in all the new styles and shades at Mrs. Broad's. Please give us a call.

Mrs. H. C. Harrington is closing out at low rates, corsets, gloves, ruffles, hose, etc., to make room for a new and enlarged stock of Fall and Winter goods. Call early!

Mrs. Dr. A. Smith has just returned from a two weeks' visit to Detroit and is now planning to leave town soon for a visit among relatives in Vergennes, Vermont.

Mrs. C. E. Shattuck has just returned from a visit to Ann Arbor. She reports the boys, Jesse Shattuck, Alvah Pitts and Lasell Lyon, well, and nicely establish for work.

We are pleased to notice that Mr. Volney Moreau of the job department, Journal of Rice, Corunna, found ready sale for his recently executed Garfield memorial cards, offered for sale in Owosso, Monday.

Mrs. W. H. Andrus will please accept our thanks for sending to us from Cleveland a copy of the Plain Dealer, containing a full account of the last scene in the eventful history of President Garfield.

"Othello"—Col. Burleigh's "Othello" is pronounced by the dramatic critics to be a genuine triumph. We bespeak for him a crowded house at Opera Hall, next Tuesday evening, to witness his rendition of the Moor of Venice.

On Wednesday last we saw a man with a bleeding hand going up to Dr. McCormick's office, and have since learned that it was Mr. J. J. Schenck, a deaf man who works for White Bros. He had the first three fingers of his left hand terribly mangled on a saw. One was amputated at the first joint and an effort is being made to save the others.

Wednesday a gentleman by the name of Parks was here in the interests of New York capitalists gathering statistics to ascertain how much local freight could probably be secured by the Owosso & Northwestern railroad when completed. He has been through on the line of the proposed road, and reports everything satisfactory.—Frankfort Express.

On the evening of Sept. 22nd lightning entered the house of Mr. Banghart, of Owosso Township, by way of the stove-pipe, passing through the chamber floor about six feet from where Mr. and Mrs. Banghart and baby lay sleeping, and down the side of the partition, damaging an oil painting, and slightly burning the carpet on entering the floor. Strange to say none of them were injured. We congratulate Mr. and Mrs. B. on their narrow escape.

On Saturday last Mr. Leslie Vanderhoof lost the first three fingers of his right hand, in some of the machinery, in the shop of the Estate Manufacturing Co. As Mr. Vanderhoof has a small family dependent upon his daily toil for sustenance, the members of this firm, together with the workmen, very generously raised a purse of forty dollars to aid him during his disability. The mangled fingers were amputated and dressed by Dr. McCormick, and they are reported as doing well.

A Conservatory of Music has been established at Lansing, with the following faculty: A. Graves, teacher of voice, musical director, and conductor of conventions; J. C. Field, teacher of piano, organ, voice, and advanced harmony; Miss E. P. Barnard, teacher of piano, harmony, and pipe organ; Wm. M. Dressell, teacher of violin, cornet, and orchestral conductor; James Richmond, teacher of violin and trombone; Joseph Bailey, teacher of clarinet. There will be a fall term beginning Oct. 17, 1881, continuing ten weeks, and a winter term beginning Jan. 8, continuing ten weeks.

MARRIED: Mr. Marshall Leavitt, of Fairfield, to Miss Ella Lotridge, of Rush, at Owosso, on Wednesday, Sept. 28, 1881, by L. Vandusen, Justice of the Peace.

## Meeting of the W. C. T. U.

There will be a gathering of the W. C. T. U. of Shiawassee county, Wednesday Oct. 5. The services will be held in the Congregational church. At 10:30 A. M. Mrs. L. M. Boise, State Missionary, will be present and will give a public address in the evening. All women who are interested in the cause are cordially invited to attend. Young women especially. Entertainment will be furnished by the Owosso Union.

## Shiawassee County Medical Society.

The next meeting of this society will take place in this city, at the Red Ribbon Club Parlor, on Thursday, Oct. 6th. The special theme for discussion at this meeting is Diphtheria, upon which subject Dr. D. C. Holley of Vernon will read a paper. Two of the faculty of the Detroit Medical College are expected to be present with papers of more than ordinary interest. All practitioners of rational medicine are cordially invited to attend and contribute to the success and interest of the meeting.

By Order of the President.

## Shiawassee's Fair.

The second day of the fair opened with cloudy, but pleasant weather which lasted from early dawn till dark. The exhibits in the departments in which farmers are supposed to be more interested are very fine and the entries made are more numerous than those of any previous fair, that is, those entries that properly belong to a good old fashioned fair gotten up in the interest of the farmers. Under this head we first mention the

### CATTLE SHOW.

In this division C. Hibbard & Son exhibit 23 head of Short Horns, 5 of which are thorough-bred, conspicuous among them are to be seen "Sir Mack" and the "First Duke of Lima." This fine exhibition of cattle is one of the most noticeable features of the fair. Mr. A. Orr, of Burns, shows 7 head of short horns, all thorough-breds. His fine 4 year old cow and calves deserves all the notice which the crowd gives them. E. S. Burnett, Chapman & Jones, J. Turnbull, Sack-rider & Hoffman, H. Pierson, all have fine cattle on exhibition, which we will mention more particularly in "our next." There were many other exhibitors, but we have as yet failed to learn their names. All of the cattle stand in comfortable covered stables built by the Association. During the afternoon premiums were awarded for the best grade

### SHEEP

of which L. W. & O. Barnes exhibited 6 pens of American Merino grade sheep, and captured 6 first premiums. They also have on the grounds 10 pens of thorough-bred Merino sheep, which will be viewed to-day. Messrs. Barnes have just returned from the State fair with these sheep where they were awarded many premiums and made same high priced sales. C. Hibbard & Son show 6 pens of Merino grade, and received one second premium. C. B. Vandyne, Geo. Wells, A. Parmenter, each secured second premiums on Merino grade sheep. Alongside of the sheep pens are to be seen the swine. E. L. Brewer received first premium on Suffolk pigs, L. W. & O. Barnes exhibit 5 pens of Poland China, and are awarded 4 first premiums and one second premium. For the best Essex, John Snyder secures 2 first premiums. The first premium for 3 Berkshire pigs was awarded to A. J. Armstrong. A. Robertson also made a fine show of porkers and carries off several first premiums and one second. The last day of the fair raining, but a good attendance. The number of tickets sold, up to ten o'clock to-day, assures the financial success of the fair. Entries in Division A number 321 against 199 last year, making the finest show of horses ever exhibited in the county. Entries in Division B (cattle) 70. Division C (sheep and swine) entries 178. Division D farming implements, entries 88 against 47 of last year. C. S. Williams has the finest display in this department. Division E fine arts, falls far below any previous year. Stuart Beebe makes a fine display of photographs and takes the first premium. The display of fruit, Division F, compares favorably with that of any year. Vegetables are fine and attract much attention, this is Division G and the entries number 169. For want of time before going to press we cannot complete the report of the fair in this issue.

## Our County Institute.

The following announcement has just been made:

The State Teachers' Institute for Shiawassee County, will be held at Corunna, commencing at 2 o'clock P. M., Monday, Oct. 17, and closing Friday following. Prof. C. G. Kingman, Corunna, Local Committee. It is desired to make the Institutes of this series of the greatest practical benefit to teachers. For this purpose some of the most experienced and successful instructors have been engaged to conduct the various exercises. The outlines of institute work were revised at the State Institute held at Lansing, July 5-8; and with the experience of the past to aid us, it is believed that the present series will be of unusual value to all. The new school law requires teachers hereafter to be examined in the theory and art of teaching, and after the present year in U. S. History and Civil Government, in addition to the branches heretofore required. Especial attention will therefore be given to these subjects, and teachers will find it greatly to their interest to be present at all the sessions to prepare for the increased requirements. The morning and afternoon sessions will be devoted to the discussion of topics of particular interest to teachers, while the evening lectures will be of a popular character. There will be no tuition or enrollment fee. Full particulars in regard to board, etc., may be obtained on application to the local committee.

VARNUM B. COCHRAN, Superintendent of Public Instruction, Department of Public Instruction, Lansing, Mich., 1881.

This call will probably evoke a large attendance, an elicit an unusually interesting series of meetings. It is specially desired that all the graded schools in the county, as well as the others, should close their own sessions for the week. The popular impression that graded school

teachers need no such gatherings seems to us a mistaken one. Educational principles are of universal application—methods alone vary, and in the hands of the line teacher of any grade, they will vary in spite of formulas and systems. But cannot each one of us learn something of value on such an occasion; or by mere contact with each other catch something of inspiration for future work? We think so. May we not, then, look for a valuable educational festival at Corunna during the coming Institute? Let every teacher in the county be present the entire week. Directors, will you not endorse the movement?

C. G. KINGMAN, Local Committee.

## Meetings at Bay City.

The Genesee Conference with which the Congregational churches of Owosso and neighboring towns are connected, held its regular autumn meeting, organized a Sunday school institute, and held its women's mission meeting at Bay City this week, as previously announced in the TIMES.

The Woman's Missionary Society completed its conference organization at the meeting held Wednesday, A. M. The officers are: President, Mrs. A. Gould, Owosso; Vice-President, Mrs. D. Griffes, Flint; Secretary, Mrs. Lorell, Flint. The most noticeable features of this meeting were the eloquent and scholarly addresses of Mrs. W. F. Day, of Egt Saginaw, upon the general topic of woman's work in foreign missions, and a touching appeal to women to enter into this work, by Mrs. A. T. Waterman, of Grand Blanc.

The State Association of Baptist churches of Michigan meets in Bay City next week.

THE

MERCHANT TAILOR,

OWOSSO, MICH.

JUST RECEIVED A CAR LOAD OF SUPERIOR DRILLS.

We again cordially greet the public and herewith make our acknowledgments to our many friends and patrons, all of whom, we are sure, will be glad to hear that the SUPERIOR still maintains its proud but well-earned position in the forefront of grain drills. The year past was more fruitful than any preceding one with triumphs for our machine, and that is saying a good deal, for, since the first year of its introduction, its record has been such as to afford us unbounded gratification.

Among the farmers of Shiawassee county the name "SUPERIOR" is fast becoming a HOUSEHOLD WORD. In casting a glance backward over it, we have only one thing to regret, namely: that we were wholly unable last season to fill all the orders with which our friends so generously favored us. This is not by any means our first offense, yet we can, by way of extenuation, assure all interested that we did our utmost to supply the demand for our machines and failed only after every resource and facility for production was exhausted. More we could not do. But we are getting an earlier and better start for the approaching season and think we will be in much better shape to respond to our promises, so far as supplying the demands is concerned, than heretofore.
